

## Football and Futsal Clinics

Under the guidance of their highly experienced coaching team, **Sport4All** will once again be hosting Football/Futsal Clinics at **Harrow School Playing Fields**. The aim is to provide the boys/girls with an exciting opportunity to improve their tactical and technical knowledge within an enjoyable, challenging and developmental environment. Boys and girls will be given an expert insight into football, with a large emphasis on player development; whilst also taking part in a series of fun football competitions and activities based around the all-new FA England DNA.

## Multi Sports/Games

Our very popular, fun and active Multi-Sports Programme will continue throughout 2018. Children will participate in a range of fun-filled activities that will not only be enjoyable, but also develop their physical and social capabilities. Examples of activities and games include Vortex, Dodgeball, Tennis, Danish Long Ball, Hockey, Baseball, Cricket, and Space Invaders. There will also be numerous competitions and prizes across all our Multi-Sports Holiday Camps.

**[Siblings and friends are welcome to join the Football Clinics](#)**

**All our Coaches are FA qualified up to a minimum of UEFA 'B' Standard**

**All staff are fully DBS checked.**

**Bookings must be made before the day as courses have limited spaces available.**
